Try Sleeping With A Broken Heart

**Couplet 1**

```
Bb    C    F    Bb
Even if you were a million miles away, I could still feel you in my bed
Near me, touch me, feel me
Bb    F    Bb
And even at the bottom of the sea, I could still hear inside my head
Tellin' me, touch me, feel me
Bb    C    Bb    C    Bb    C
And all the time you were tellin' me lies
```

**Refrain**

```
F      Gm    Csus4    C      F    Gm    F    Bb    F
So tonight, I'm gonna find a way to make it without you
F      Gm    Csus4    C      F    Gm    F    Bb    F
Tonight I'm gonna find a way to make it without you
I'm gonna hold on to the times we had
Tonight I'm gonna find a way to make it without you
```

**Couplet**

```
Bb    C    Bb    C    Bb    C    F    Gm    F
Have you ever tried sleeping with a broken heart, well you could try sleeping in my bed
Lonely, own me, nobody ever shut it down like you
You wore the crown, you made my body feel heaven bound
Why don't you hold me, near me, I thought you told me, you'd never leave me
Looking in the sky I could see your face and I know right where I fit in
Take me, make me, you know that I'll always be
In love with you right til the end ooh
```

**Pont**

```
Dm7/G    F/A
Anybody could've told you right from the start it's about to fall apart
Bb    C    Bb    C    F    Gm    F    Gm
So rather than hold on to a broken dream or just hold on to love
F    F    Gm
And I could find a way to make it, don't hold on too tight
C    F    Gm    F    Bb
I'll make it without you tonight
```

**Répétez le refrain**
